

CONTEST RULES

It's proven that the more students use KidBiz3000®, TeenBiz3000®, and Empower3000™, the more their reading skills improve. To help your students do their best, Achieve3000® is sponsoring a contest. Back by popular demand, one class in your school wins a \$30 gift card to spend on a celebration of your choice!

Registration

Your school must enroll in the contest in order to participate. Visit portal.achieve3000.com/contest_enrollment to register. (Note that once a single teacher in your building has registered, your entire school will be registered for the contest.) **Please be sure to register by November 2!**

Rules

Once your school has registered for the contest, get **75% of your students to complete at least eight multiple-choice activities from Monday, November 2 through Friday, December 4.** To encourage your students to put forth their very best effort, we're giving out extra points for high scores. Every time a student does an activity your class earns a point. For every score of 75%, the class earns two points. And for every score of 88% or higher, the class earns three points! **The winning class is the qualifying class of five (5) or more students with the most points on average, per student in each registered school.** If there is a tie, a winner is randomly selected.

Prize

At the end of the contest, we'll look at all of the classes in the school where 75% of students have completed eight activities during the contest. The class with the most points (on average, per student) wins a \$30 gift card to spend on a celebration of your choice. **Remember, all you have to do to qualify for the contest is get 75% of your students to complete at least eight activities from November 2 through December 4.** We'll keep track of their progress and notify you when your class has qualified.

Notes

If your students belong to more than one class, be sure they are selecting the correct class when they log in. Work will be credited to the class selected upon login.

One Winner Per School

We'll deliver the \$30 gift card to you approx. 3-4 weeks after the contest end date. Feel free to call 877-235-2525, or visit www.achieve3000.com/support if you have any questions about the contest.

We know how important it is that your students use our programs regularly—at least twice a week. Research has found that completing just two reading sessions on KidBiz3000/TeenBiz3000/Empower3000 each week yields Lexile® gains that are more than double the expected growth norms. Students who completed two activities a week for the entire school year had significant gains in reading test scores.

Visit www.achieve3000.com/contest_enrollment by November 2 to enroll.
